Interlake Soils: What's Shaking Between the Lakes!

Bus leaves from the Sobeys parking lot (Kenaston & McGillivray) in Winnipeg at 7:30 am
OR meet us in Stonewall! Pick-up stop at Tim Horton's parking lot (241 2nd Avenue N) at 8:15 am.

2018 tour features soils of the Interlake Region. Highlights include:

- Tour of a commercial limestone quarry.
- Nutrient management issues unique to the Interlake incl. annual cropping & forage production.
- Visit PESAI Research Station. View tile drainage and excess moisture trials.
- Get your feet in the peat! Soil pit and exercises led by our "pit crew".

Lunch included. Returning to Winnipeg around 5:30pm.

CCA credits available: 5.0 in Soil and Water Management and 0.5 in Nutrient Management
